Clarinet lessons with Robindro Nikolich

One of the most versatile clarinetists today, Robindro is passionately dedicated to teaching professional musicians as well as beginners, classical musicians as well as those interested in klezmer, jazz, gipsy jazz, world music (oriental music), choro brasileiro...

He proposes an universal method towards different aspects, personalities and styles of clarinet playing, "the Broader View"

You will go through the basics, improvisation and phrasing, ornamentation in different styles, respiration techniques, musical language and focussed on learning without stress and in the most comfortable manner.
